About us

The Millbourne Community Life Centre is located in northern Millwoods at 2101 Millbourne Rd West. Our facility is a busy place, acting as a hub for many different organizations. We are home to 3 different church congregations - Light of Life Filipino Church, Multi-Cultural Alliance Church, and The Mandarin Congregation from South Edmonton Alliance Church. We also partner with organizations such as the Edmonton Food Bank, the United Way Coats for Kids and Families, WECAN, The Millwoods Family and Resource Centre, Scouts Canada, and Youth Unlimited, and Christian Immigration Support Services. It is our goal to facilitate relationships with our neighbors as well as meet various physical, emotional, and spiritual needs in our community.

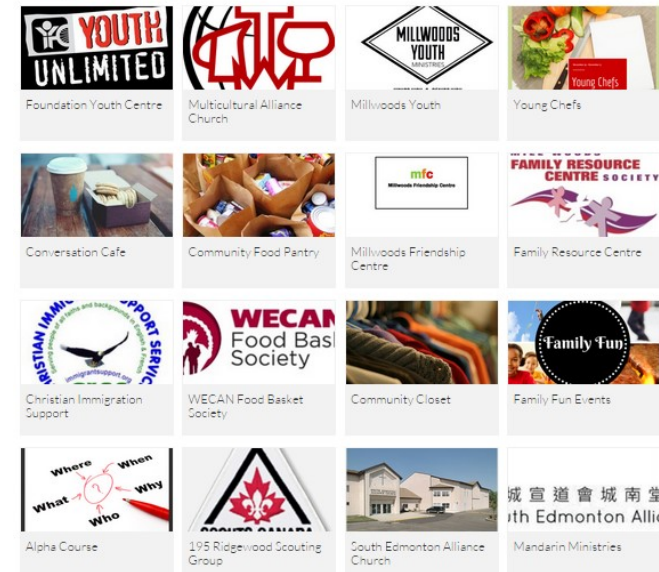

Our Aim

We hope to grow and develop our current partnerships, as well as connect with other organizations and agencies in the area to make the most of our facility and resources. We have chemistry and synergy with our partners and this allows us to impact the communities in Millwoods in tangible ways that improve quality of life and access to resources in Edmonton.

What we have achieved so far

Over the past few years, SEAC has increased its influence and profile in the Mill Woods community by partnering with various agencies within the area, as well as opening up many of their own ministries and programs to those living within walking distance of the church. Partnerships with organizations and agencies such as Bir Brothers Big Sisters, Edmonton Food Bank, Make Tax Time Pay, Canadian Blood Services, and Mill Woods Family Resource Centre have brought in hundreds of community members through the doors of SEAC.

Programs + Services

The potential and opportunity with MCLC is limitless, with your help, we can do more!
